  - Double 137cm
  - Queen 152cm;
  - King 183cm
  - Super King 200cm.
- ISO 9001:2015 QMS (Quality Management System) certified.
- A convenient, easy to use Mattress Converter to join 2 x Single 91cm OR 2 x Three Quarter 107cm sets to form a seamless sleeping surface.
- 4 Glides and 2 Rollers.
- Wall bumper stoppers.
- 7 Year Guarantee for peace of mind.
- Option of Single or Two-Sided mattresses available.
- Fitted & flat sheets, pillowcases, pillows, mattress and pillow protectors available.
- A Rotation Tag assists to monitor mattress turning frequency.
- Flame retardant fabric for improved safety, to suppress, reduce and delay combustion.
- Supply your own fabric, for that extra touch of style to your upholstered foundation.

*As the world's largest bed manufacturer with dozens of factories worldwide, Sealy has built a reputation for innovation and excellence spanning over 100 years.*

# **Orthopaedically Designed Relieving Comfort**

Designed to provide the best in comfort, customized for a superior sleep experience. Available in a wide range and backed by the Sealy brand, you can be assured your guests will have a restful night's sleep.

When choosing bedding for your establishment, it is the biggest investment towards your success. You can trust us to provide dedicated customer support and provide a customized bedding solution that is suitable for your establishment and budget.

We have partnered with leaders in the hospitality industry for many years – just to name a few:

## PRUDENCE

Knitted Cotton Fabric

Soft, durable, breathable and flexible to the touch, for a luxurious comfort.

## VICTORIA

Jacquard Fabric

A durable, firmer to the touch fabric, for easier cleaning and helps to suppress fluid infiltration.

### Fire Retardant:

Mattress fabric treatment to suppress, reduce and delay combustion, for increased safety.

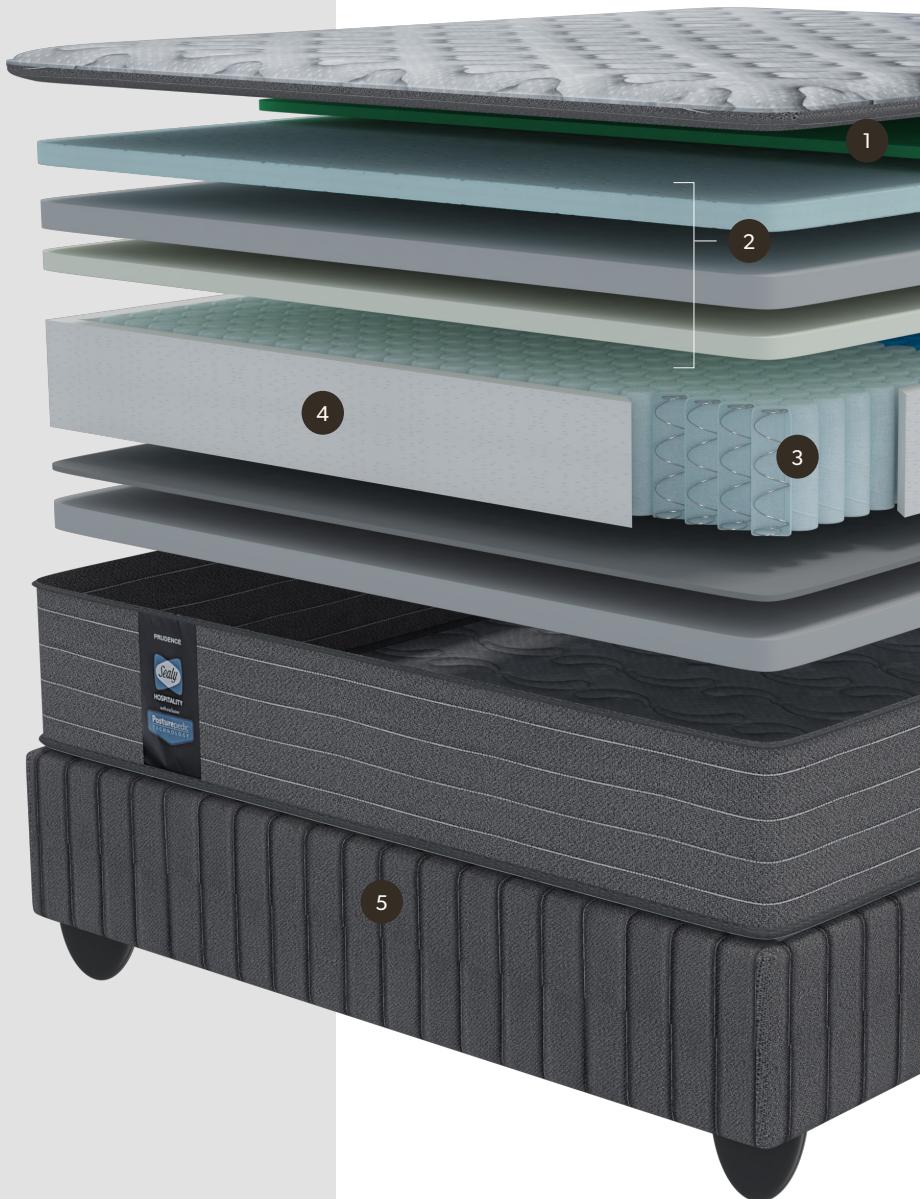

### Anti-Mosquito & Bug Safe Protection:

A treatment to keeps the mattress free from odours, bed bugs & mosquitoes.

### Wool Filling:

Has a natural ability to both warm and cool, maintaining the perfect sleep climate.

1. **Zone Support** is a high-density foam centre providing power-packed body support to the centre third of the mattress; reduces body impressions and provides additional lower back support, allowing muscles to relax and recover.
2. **Gel Foam** together with other filling layers, provides resilient support.
3. **Exclusive Body Sense® Pocket System** with zoned centre to support the heaviest part of the body. Individually encased coils conform to your body posture, minimizing motion transfer.
4. **DuraFlex® Foam Encased Edge Support** high density foam border, surrounds and supports the edge of the pocket system, providing a firm seating edge and increased sleeping area.
5. **Motion Stabilizer Foundation** reinforced hi-tech design stabilizes mattress movement, with robust reinforced 6-leg construction. Non-slip gripper foundation fabric, helps to keep your mattress and sheets in place.

## MONACO FIRM

Knitted Cotton Fabric

DualFlex Gel and Latex Foam layers provide firmer comfort, while the fabric is soft, durable, breathable, and flexible for a truly luxurious feel.

## MONACO PILLOW TOP

Knitted Cotton Fabric

A Gel Memory Foam layer delivers plush comfort, while the fabric is soft, durable, breathable, and flexible for a luxurious feel.

### Fire Retardant:

Mattress fabric treatment to suppress, reduce and delay combustion, for increased safety.

### Anti-Mosquito & Bug Safe Protection:

A treatment to keeps the mattress free from odours, bed bugs & mosquitoes.

### Wool Filling:

Has a natural ability to both warm and cool, maintaining the perfect sleep climate.

- 1. Zone Support** is a high-density foam centre providing power-packed body support to the centre third of the mattress; reduces body impressions and provides additional lower back support, allowing muscles to relax and recover.
- 2. Pressure Relieving Foams**  
**Firm** option with DualFlex Gel & Latex layers offer resilient firmer comfort and regulating body temperature.  
**Pillow Top** option with CoolSmart® Gel Memory Foam layer, offers conforming luxurious comfort. Cooler than ordinary foam and more targeted support via micro-support gel bead action, working together with various comfort layers and fillings, making up the foundation of the mattress.
- 3. Exclusive DSx-PRO Sense & Respond Spring System** senses body weight and responds with extra deep-down push-back support to the body, whilst minimizing partner disturbance.
- 4. DuraFlex® Foam Encased Edge Support** high density foam border inserts, surrounds and supports the edge of the spring system, providing a firm seating edge and increased sleeping area. Posture Bars are positioned at the hip and shoulder area, for extra support.
- 5. Motion Stabilizer Foundation** reinforced hi-tech design stabilizes mattress movement, with robust reinforced 6-leg construction. Non-slip gripper foundation fabric, helps to keep your mattress and sheets in place.
